

CAN YOU HELP ADOPT A CAMPER?

Why is your help needed? This will be our seventeenth year to conduct our camp, designed to encourage young Christians and their friends in the New York City area. The camp seems to be especially beneficial for youngsters from inner city areas. The camp is possible only because individuals "adopt" needy campers. We average around 200 campers and staff.

Information about the camp: We are renting the Crossroads Retreat in Port Murray, New Jersey in for the week July 3 - July 9. In addition to the usual games and hijinks of camp, we devote several hours each day to Bible study, prayer and singing. This year's theme will be "1 Peter."

How can you adopt a camper? We have to charge \$295 per camper. We expect almost all campers who need to be adopted to pay at least \$50, which they should be able to do by saving quarters, dollars, etc. That will leave \$245 per camper for "adopters." A full financial report will be available to all who request it.

"Adopters" will receive a note and a picture from their "adoptee." It is good for the kids to learn to express their appreciation.

There will be four main ways you can adopt a camper with a few variations:

#1 "Full adoption" (\$245) This will completely adopt one camper.

1a: You can adopt a specific camper

1b: Let us choose a camper to adopt with your money.

2 "Half adoption" (\$125) You can go in with someone else (either of your choosing or ours) to adopt a camper.

3 Whatever you can give (\$10? \$15? \$20? \$25?) We'll put all these funds together to adopt needy campers. We'll send you a group picture.

4 Adopt a counselor: Let me know if you would consider adopting a counselor. (\$150) Most of them are young and struggling to make ends meet. Some need help with transportation. Please let me know if you could help.
