FOR RETURNING CAMPERS – (NOT NECESSARY FOR NEW CAMPERS) – DON'T SKIP - This camp, though not only for Christians, is financed in great part by those who hope there is a least some spiritual interest among those who attend. Problems are almost always caused by those who say things like: "I don't have any spiritual interest." "The only reason I'm here is because my parents made me come," etc. Therefore, on the back of this paper (or in the space on the form), please write a list of at least three things you hope to gain spiritually from camp. Or, you can write a paragraph or two explaining your spiritual goals for camp. Also, write that you're coming because you want the spiritual atmosphere and not that you are being pressured to come by your parents. If you feel uncomfortable with writing that, you frankly shouldn't come. Thanks!

Important: The nurse this year will not be able to dispense medication since she is not licensed in PA. Make sure your child is responsible enough to take his/her medication. If your child is not responsible with medication, perhaps they shouldn't come.

Please mail in your health form with the application if you have it. If you don't have one, we'll mail you one. We will mail futher instructions about what to bring, where to come, etc. For further information call, text, or email: Joe Works (201) 398-8438, [lilpreacherjoe@aol.com](mailto:lilpreacherjoe@aol.com) Feel free to make photocopies of this application if more are needed.
